Education Libraries (ISSN 0148-1061), an online, refereed publication of the Education Division, Special Libraries Association (SLA), is published two times a year (Summer/Winter). This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. Issues of Education Libraries are available in full-text from 1992 to the present on the SLA Education Division's website at <http://education.sla.org/>. The journal is indexed in EBSCOhost's Education Collection, Library Literature and Information Science Index/Full-Text, and the ERIC database. Permission to reprint articles must be obtained in writing from the Editors (or the original sources where noted). Opinions expressed in articles and book reviews are those of the authors and do not necessarily represent the views of the editors, Editorial Committee, or the members of the SLA Education Division.
